Profile

Native Arabic and French linguist with a trilingual background (Arabic, French, English), providing online English to Arabic and French translation and localization services. I specialize in producing fluent, culturally accurate content for digital platforms, including e-commerce, marketing, and app-related materials. My strengths include localization, MT post-editing, and meticulous proofreading, ensuring every text reads naturally to native speakers. I am detail-oriented, reliable, and committed to delivering high-quality language solutions.

Work Experience

Localization Specialist (Remote Contractor) (Feb, 2023 - May, 2024)

Shenzhen LinkWorld Technology Solutions - Shenzhen

Partnered with the E-commerce marketing team to localize product listings for Consumer Electronics (Smartwatches & Audio devices) targeting the Saudi and UAE markets.
Conducted MTPE (Machine Translation Post-Editing) on 200,000+ words, correcting grammatical errors in machine-translated Arabic to ensure native fluency and cultural relevance.
Created French subtitles for product promotional videos used on TikTok and YouTube Shorts to engage Francophone African audiences.
Maintained a glossary of technical terms to ensure consistency across user manuals and interface (UI) strings.

Freelance Business Interpreter (Arabic/French) (Jun, 2024 - Nov, 2025)

Guangzhou Sino-Arab Bridge Trading Co., Ltd - Guangzhou

Served as the primary linguistic liaison for the company's North African clients (Tunisia, Algeria, Morocco) during the Canton Fair and factory visits in Foshan and Guangzhou.
Provided consecutive interpretation (English/Chinese
Arabic/French) during price negotiations, helping close deals worth over $50k in construction materials and textiles.
Translated commercial documents including invoices, packing lists, and product specifications from Chinese/English into French and Arabic for customs clearance purposes.
